

CONSENT TO PERSONAL DATA PROCESSING

By joining this Consent and registering your personal data on the Website <https://bitcoen.io/> (hereinafter referred to as the Website) by filling in the online application (registration) fields, the User expresses Consent to the processing of personal data and their transfer to the Operator of personal data processing - Bitcoen Ltd., registered under the legislation of the United Kingdom, registered number 11012830 (hereinafter referred to as the Operator), to which the Website belongs, on the following terms.

User:

- confirms that all the data specified by him belongs personally to him,
- confirms and acknowledges that he have carefully read the Agreement and conditions for the processing of his personal data specified in the fields of the online application (registration). The terms and conditions for processing personal data are clear to him;
- consents to the processing of personal data without reservations and limitations (hereinafter - Consent). The moment of accepting the Consent is the marking of the corresponding field in the Form and clicking on the submit button of the Form on any page of the Website;
- confirms that, he acts freely, by his own will and in his own interest;

This consent is given to the processing of personal data both with and without the use of automation facilities.

Consent is given to the processing of the following personal data of the User specified by the User in forms or in files attached to the forms:

- Full Name, including passport information;
- Phone;
- Country;
- City;
- E-mail address;
- Other personal data specified by the User in forms or files attached to the forms.

The purpose of processing personal data is to store and use them, including:

- Answers to user requests;
- Maintenance of the User's work with the Operator's Site;
- Sending Analytical Materials to Users and informing Users about upcoming events organized by the Operator, as well as registering Users for participation in such events;
- Conclusion of the contract with the User.

By accepting the terms of this Consent, the User expresses his interest and fully agrees that the processing of his personal data includes the following actions: collection, recording, systematization, accumulation, storage, clarification (updating, modification), extraction, use, depersonalization, blocking, deletion, destruction of personal data.

The User's consent to the processing of personal data is specific, informed and conscious.

During the processing of personal data, the Operator has the right to: collect, record, organize, accumulate, store, update (update, modify), retrieve, use, transfer (distribute, provide, access), depersonalize, block, delete, destroy the User's personal data.

The Operator shall not to transfer the User's personal data to third parties except for persons who process personal data on behalf of the Operator and on his behalf, as well as cases established by law. In case of participation of Users in events organized by the Operator, the latter shall have the right to disclose the relevant personal data of the Users to persons participating in the organization of such an event.

The Operator has the right to amend the terms of the present Consent at any time. The new version of the Consent comes into force from the moment of its placement, unless otherwise provided by the new edition hereof.
